ABOUT ROBBINS CANDLE CO.

Here at Robbins Candle Co. we make and sell candles that are kinder to you and the environment, offering a clean, long-lasting burn in a variety of scents!

We source cans of all sizes, from the local community and then up-cycle them to give you luxurious hand-poured candles made with the most beautiful blend of biodegradable soy wax grown here in the UK, free from paraffin & phthalates.

Our products and company are Animal Cruelty Free Vegan, Non-Toxic & Plastic Free to name but a few.

As a company have put a lot of thought into how we want to grow, connect and build.

We hope you see our forward-thinking approach to a traditional creation!

CHRISTMAS SCENTS

To aid with your Christmas gifts this year we have hand picked ten fragrances perfect for the festive season. All scents are available across the entire Robbins' Christmas collection, so feel free to pick and mix your fragrances.

All Christmas orders are made to order, and scents will be used on a first come first served basis. For deadline and shipping information check the back of this booklet.

Unless you want to be surprised, please be specific with which fragrances you would like used when ordering.

Winter Pine

Well-loved fresh natural aroma associated with the famous evergreen coniferous pine. A sweet mix of lemon, white mint, pine, cedar & sandalwood.

Red Berry & Holly

Frost bitten holly leaves and enchanting red berries. A sweet arrangement of raspberry, lemon peel and cedarwood.

Apple & Cinnamon

Aromatic pseudo spices partnered with baked apples. Ground cinnamon, nutmeg, vanilla and British grown apples.

Winter Spruce

Fresh invigorating scent of sweet winter pine trees, enhanced with sparkling citrus, teakwood, pitch of raw vanilla and patchouli.

Gingerbread

Familiar and well-loved aroma associated with this popular food product now often found in cake or biscuit form. Allspice, ginger, saffron, nutmeg, and rich vanilla.

Frankincense & Myrrh

Rich oriental fantasy this scent is both sweet, warm, and woody, whilst being earthy and having a slight licorice note.

Mint Chocolate

Familiar, comforting and sweet is this mix of Persian almond and cocoa, with a dash of peppermint piperita you will wish you can eat it.

Blackberry & Bay

A floral and fruity aroma to lighten any Christmas, with a mix of plum, honeysuckle, blackberry, bay leaves, cedar and creamy sandalwood.

Vanilla Bourbon

Dark rich bourbon created through a rich fruity mixture, combined with orange zest, blood orange, creamy nutmeg and vanilla bean.

Salted Caramel & Pistachio

A rich mix of toffee and smooth caramel, salted butter with pistachio and sweet roasted vanilla.

CANNED CANDLES

Our luxurious canned candles use eco soya wax, which is biodegradable, whilst being grown and cultivated in England. Making it kinder to you and the environment, giving you a clean, slow burn. Our wax choice is free from paraffin & phthalates. It's vegan, non-toxic, and animal cruelty. All other candle components follow our reduce, reuse, recycle ethos. Our cans are locally sourced and up-cycled.
